

CactuSuperb™ Prickly Pear Fruit Concentrate Powder

CactuSuperb™ is made using premium prickly pear fruit juice that undergoes a patented spray drying process to ensure its efficacy and potency. Prickly pear fruit is naturally rich in fiber, essential vitamins, minerals, polyphenols, and flavonoids that aid in maintaining electrolyte balance, stimulating the body's natural defenses against free radicals, reducing inflammation, and supporting liver function.

Benefits:

- Ideal for electrolyte products as it may improve symptoms caused by dryness and internal heat
- May reduce inflammation in the body and stress on the liver
- Free of artificial colors and no added sugar to deliver natural pink color and refreshing taste
- Offers excellent flowability and high stability suitable for dry or liquid blending

Applications:

- Electrolyte & vitamin drinks
- Functional powder drinks
- Sachets
- Tablets
- RTD beverages
- Functional foods
- Gummies
- Ice creams
