

# UltimateMushroom™

UltimateMushroom™ Mushroom Complex Powder is a spray-dried compound of 10 medical mushrooms: royal sun agaricus, lion's mane, reishi, white fungus, maitake, chaga, cordyceps, turkey tail, oyster mushroom, and shiitake. This homogeneous adaptogenic solution with high nutritional value supports healthy immune system & brain function, and soothes inflammation. As a 10-in-1 mushroom complex powder, it simplifies supply chain and inventory management by eliminating the need to purchase individual mushroom powders.

## *Benefits:*

- Contains beneficial compounds including polysaccharides,  $\beta$ -glucans, and triterpenes supporting immune system, soothing inflammation, promoting mental clarity, and improving overall vitality
- Offers enhanced stability due to patented micro-encapsulation technology
- Highly anti-hygroscopic & free-flowing with excellent water solubility

## *Applications:*

- Coffee & teas
- Powder drinks
- Sachets
- RTD beverages
- Functional foods
